Minimum Booking

A minimum booking of two full days, or three half days are required to attend our Nursery.

Monthly Invoices

Invoices are sent out monthly and are calculated by sessions, meaning you will be charged for the number of sessions booked in that particular month. This means your invoice totals may vary slightly from month to month. A full breakdown of every invoice will be available via the parent app of our nursery management software. All invoices are to be paid one month in advance.

Application Fee and Deposit

A non-refundable application fee of £50 is required with the return of an application form.

A deposit of £300 is required after we send out an offer letter. This will secure a space for your child with the agreed sessions. The deposit is non-refundable and non-transferable. However, it will be credited to your child's account and may be used towards your final invoice.

No application fee or deposit are required for children only accessing Free Entitlement Government funded hours.

Funded Hours

We are pleased to be able to offer funded hours of care.

Stretched Funding

Funded hours are available on a full year contract and the 15 weekly hours of funding for 38 weeks per year are stretched over the full year. This means all eligible parents/carers will be allocated 11 hours of funding per week for 51 weeks per year.

Extended Hours

If parents/carers are eligible for the extended 15 hours of funding; these extra hours will also be stretched over the full year. This will mean 22 funded hours per week for 51 weeks per year.

Consumables Charge

There is a charge of £15 per day that uses any of the extended hours. The charge covers all meals.

Weekly Fees with Funding

On the following pages, for your convenience, we have created tables of our weekly fees with all the different types of funding we are able to offer applied. Please note that the tables are only intended as a guide, and do not include a combination of the different sessions we offer (full days and half days). They also do not include any potential discounts that may be offered. Our management team would be more than happy to assist you if you require any further clarification.
